

GHOST IN MY DREAM

Once I was watching T.V.

I turn on to a ghost movie.

I was watching the movie alone in late.

I was scared and stop watching the movie.

Then I went to my room lied in my bed.

That night there was no one in house.

I was alone in the house.

The dog was crying very darkly.

I was afraid by the sounds of dogs.

Sweats were coming out from my body.

Suddenly it was lightning and rains heavily outside.

Then I wake up and come to know that it was just a dream.
